

Our Vision for 2027

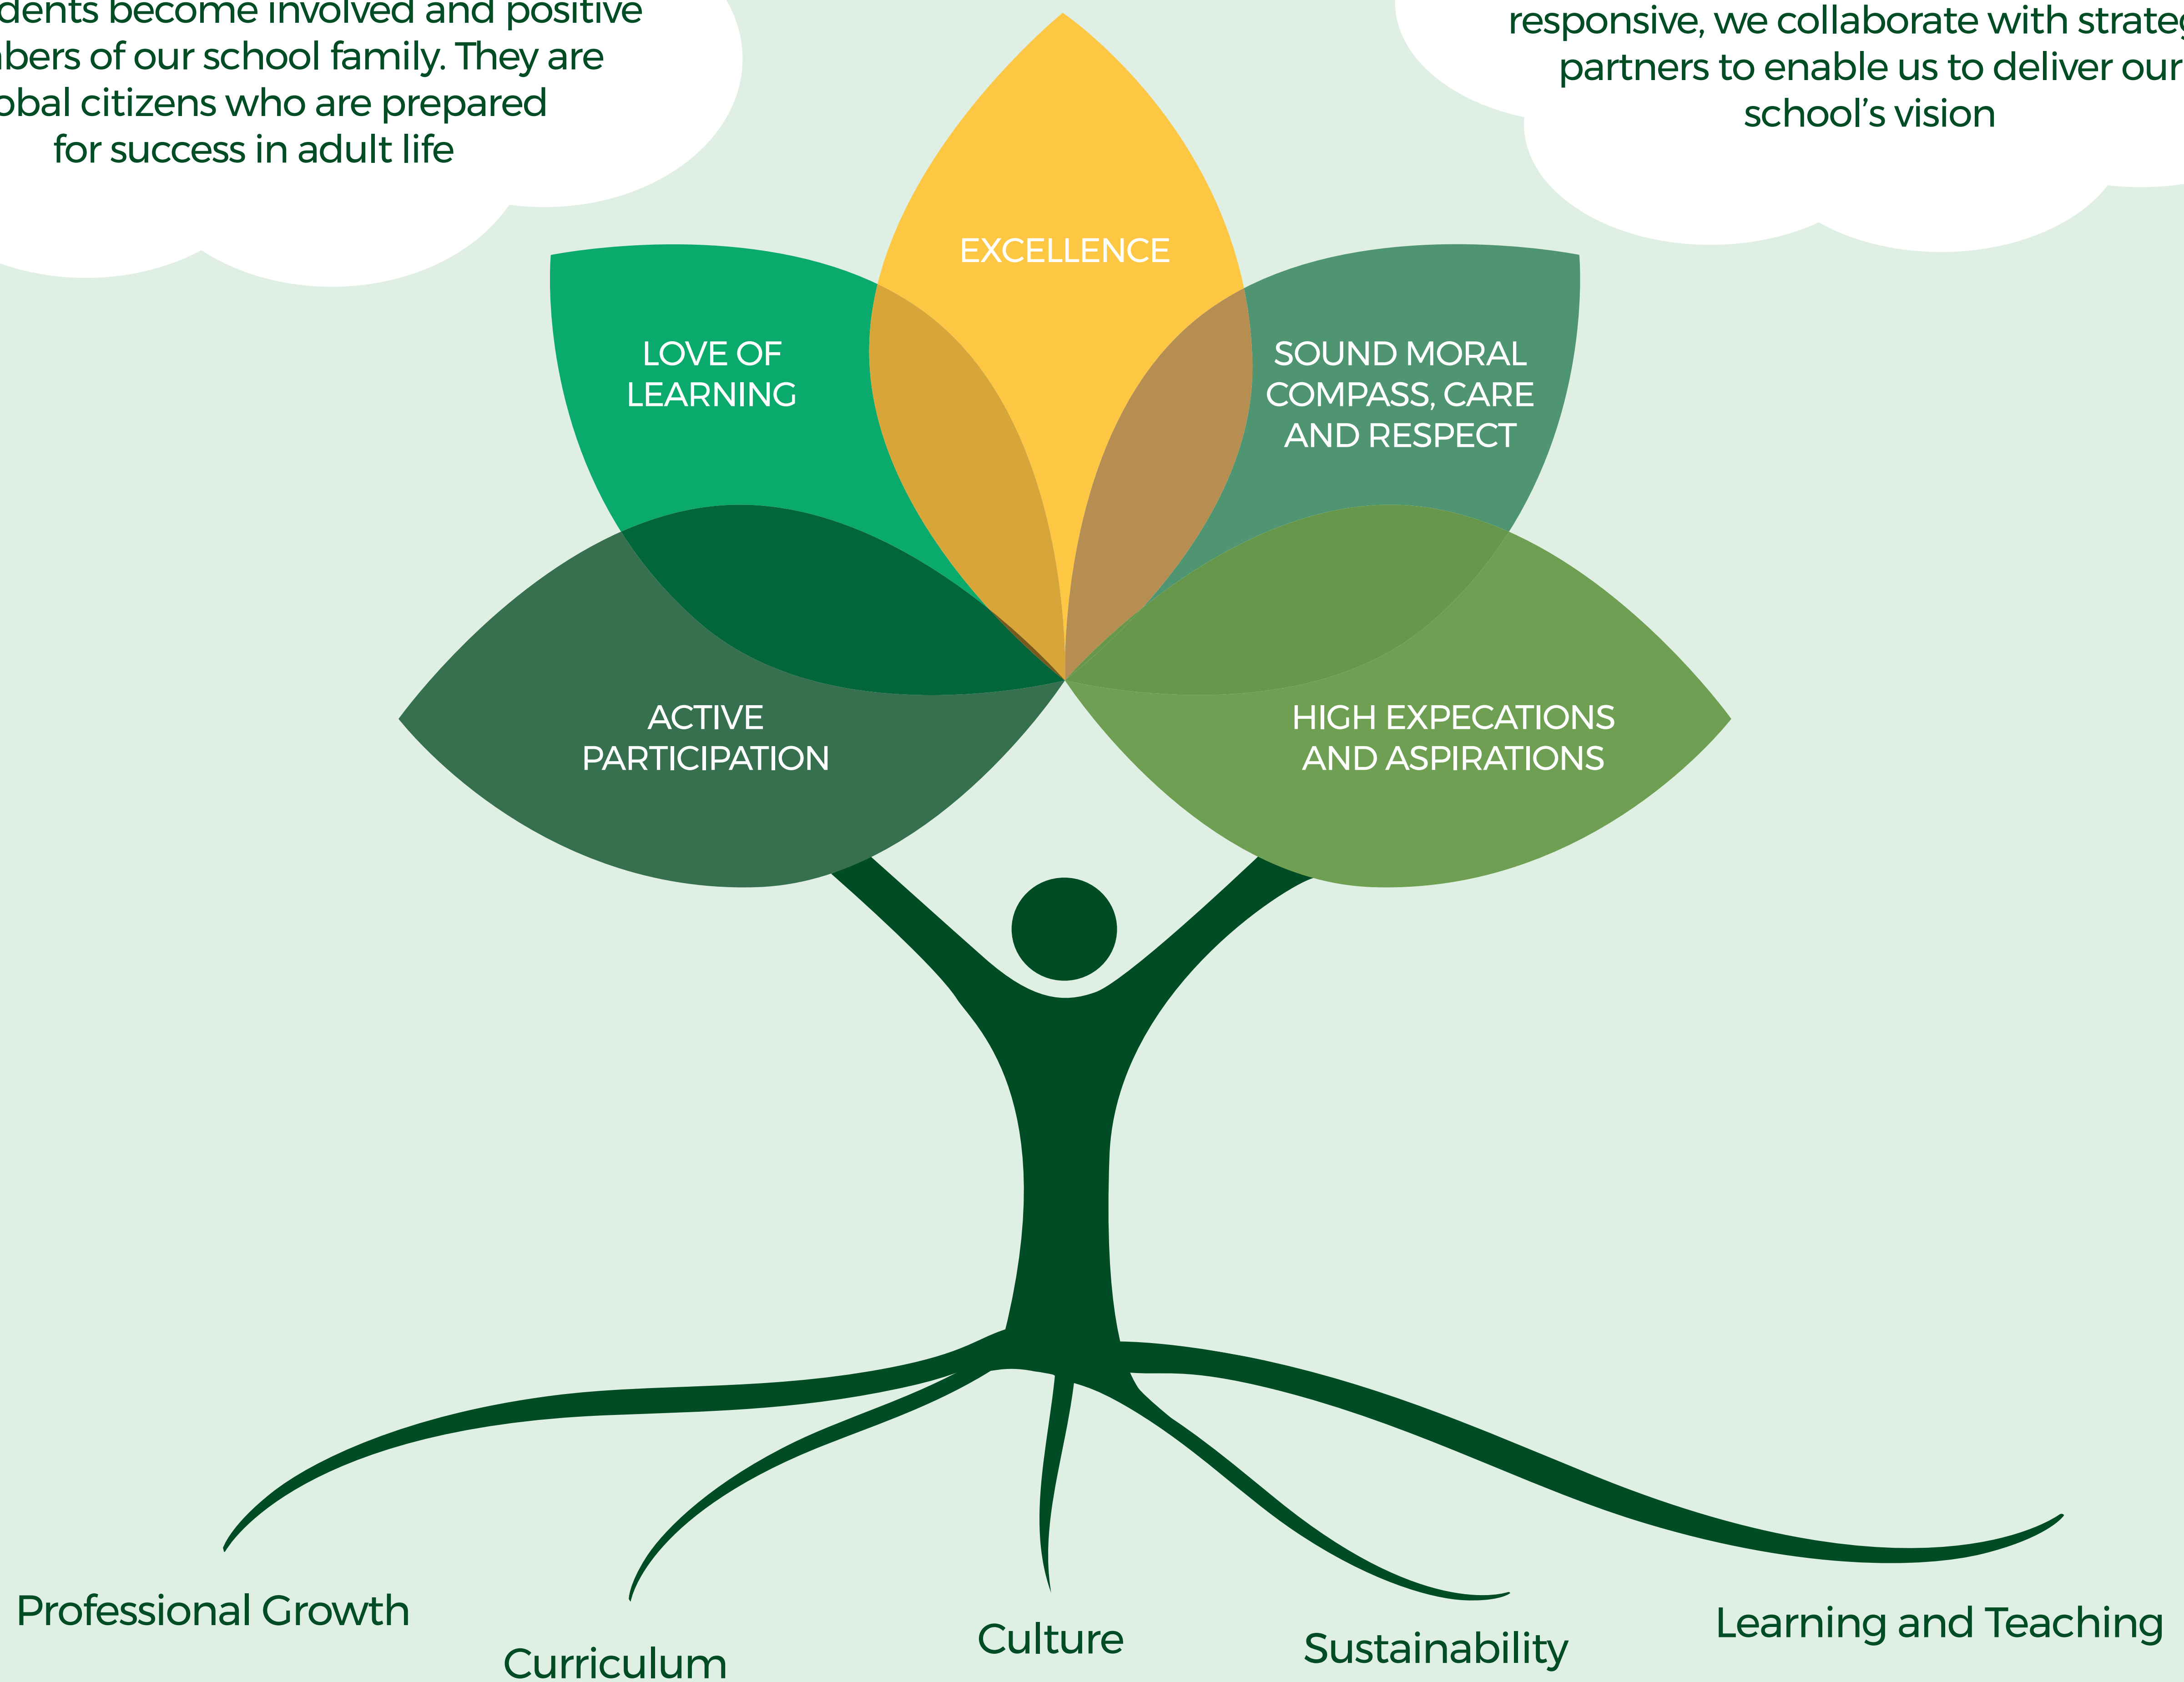

Our school is a model of sustainable best practice; our students are prepared to meet the challenge of climate change with determination and hope

Our culture reflects our core values. We are ambitious and forward looking, we work hard and learn together, we reflect and improve, we care and nurture, we are honest and kind: everyone is supported to become the best they can be, no one is left out

Our teaching develops resilient, confident learners, who are self-motivated and independent, making excellent progress, regardless of background, starting point or additional need

Our curriculum is exciting and challenging, celebrating sport, the arts and community service, in addition to academic, cultural and social growth. Our students become involved and positive members of our school family. They are global citizens who are prepared for success in adult life

Our staff are committed to continual professional growth, our leadership is responsive, we collaborate with strategic partners to enable us to deliver our school's vision

The best from everyone, all of the time.
