

# Our Vision for 2024

Light Hall is an exceptionally caring and nurturing school that prioritises the well-being of students and staff.

All Light Hall students make excellent progress regardless of background, starting point or additional needs, and graduate prepared for success beyond Light Hall.

The curriculum at Light Hall is exciting and challenging, celebrating sport, the arts and community service in addition to academic, cultural and social growth.

Light Hall's culture is ambitious, reflective and forward-looking; everyone is supported to become the best they can be.

The evidence-informed practice, which Light Hall champions, develops resilient, confident, self-motivated, independent learners, who become involved and positive members of the community.

Light Hall's promotion of the professional growth of staff enables consistently high-quality practice leading to effective learning.

Light Hall is a model of sustainable best practice; the protection of the environment is important to our school family.

Through collaboration with strategic partners, Light Hall has responsive leadership, learning from best practice to enable delivery of the school's vision.

*The best from everyone, all of the time*
