

Art Knowledge Map

Our spiral curriculum covers a diverse range of Art movements and Artists, allowing our young artists to explore their own creativity and studio practice effectively.

The Big Knowledge Picture

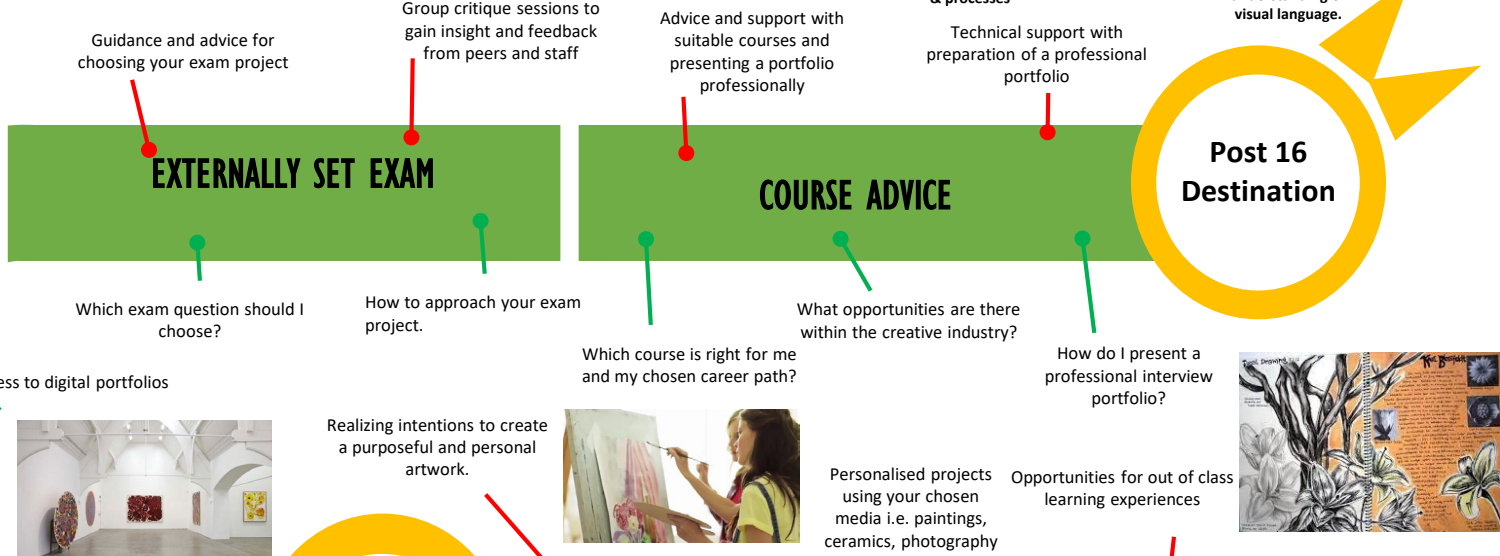

The KS3 Big Questions

Year 7: How do you identify and apply key artistic concepts such as the formal elements?
 Year 8: How can you ensure you have successfully experimented with appropriate materials and media in your own artwork?
 Year 9: How can you successfully generate ideas to formulate your own artwork?
 Year 10: How could you create a successful personal and meaningful outcome?

The KS4 Big Questions

Year 10: How to develop ideas through investigations, demonstrating critical understanding of sources.
 Year 11: How to refine by exploring ideas, selecting & experimenting with appropriate media, materials, techniques & processes.
 Year 11: How to Record ideas, observations and insights relevant to intentions as work progresses.
 Year 11: How to Present a personal & meaningful response that realizes intentions & demonstrates understanding of visual language.
