

# Careers Education at Light Hall

THE BEST FROM EVERYONE, ALL OF THE TIME

18 DECEMBER 2020

## Life Ready Round Up

Students have been hard at work exploring Kuos in tutor time, with many of them engaging with it independently at home.

Kudos is a great programme which takes all of your likes and dislikes and suggests potential career routes for you.

Alongside this, it gives you all of the information needed to get into those careers – qualifications and training required.

### Some interesting facts...

According to their likes and dislikes, students at Light Hall are overall most suited to:

### The Creative Arts and Culture Industry

The top three jobs:

1. **YouTuber**
2. **Animator**
3. **Teaching Assistant!**

### PSHEC – personal, social, health and economic education

What have we been studying this half term?

Year 7 – challenging discrimination – bullying

Year 8 – tackling prejudice – bullying

Year 9 – the Equality Act – bullying

Year 10 – diversity and equality in the workplace

Year 11 – postponed until after the mock exams

### Learning Skills

Students reflect on these every week in tutor time:

- Taking responsibility
- Asking questions/enquiring
- Working collaboratively
- Problem solving
- Being resilient
- Reviewing/evaluating work

Mr Rogers has put together some great resources for the students to reflect on them. Here is an example. What would your own personal responses be?

## Year 11

About a third of our year 11 students have had their independent careers interview now.

Many students have already applied to colleges and sixth forms and we have been very happy and proud to write them positive references. But deadlines are approaching for some colleges - for instance Alderbrook, which is this week.

Please ensure that between revising for the mock exams, the Year 11s are active in their search for a positive Post 16

Define the skill:

Why is this a good skill to have now?

### Being resilient
