

25<sup>th</sup> February 2021

Dear Parent/Carer

I hope you are all safe and well.

I have no doubt you will have seen the news headlines this morning regarding the summer GCSE's. At least this has provided some long-awaited clarity for yourselves and the students.

However, the full guidance published to schools detailing exactly what will be required in order to generate the teacher assessed grades in the summer has not yet arrived and in my experience with the headline news, the devil is always in the detail! As such, as soon as the guidance arrives, we will be working hard to establish the logistical clarity that will be needed moving forward.

As soon as I can offer further clarity, I will be in contact with you to outline our plans. For now, please continue to encourage your child to engage fully with the remote learning. The learning will be very important to students upon their return in the week of 8<sup>th</sup> March.

Yours sincerely

Mr R Hall  
Deputy Headteacher
