

The Word

THE BEST FROM EVERYONE, ALL OF THE TIME

11TH JUNE 2021

Headteacher's Roundup

Welcome back to final half term of the academic year. It's great to see all of our students looking so smart in their uniforms again. Well done to everyone for learning the new systems in school, they seem to be working well. Much credit must be given to year 7 who are finally gaining full access to our wonderful school, for all their lessons.

Everyone is really enjoying being in specialist subject rooms all of the time. I must praise year 10 for the way they have settled down to their end of year assessments this week. I have been impressed by the numbers of revision cards and notes I have seen being used between lessons, and even on the way into school! It is great to see how our students are developing really good study skills and making use of every available moment.

We are missing year 11 and are pleased to see they are engaging in their remote learning. We are looking forward to

seeing them all again at the Prom (providing the roadmap does open). Well done to everyone for engaging in virtual curriculum on Monday and thank you to you, the parents, for your support in this. I must give a huge thank you to every member of staff for the fantastic team effort put into the moderation process of the year 11 assessments on Monday. The true Light Hall spirit shone through again.

As you will have seen in the news recently, the West Midlands are experiencing a surge in COVID cases. Thank you for your support in helping us to maintain a COVID secure environment in school, please do continue to keep testing at home. Your child's pastoral manager can supply additional lateral flow testing kits, if needed. Please contact them directly.

Wishing you a safe and peaceful weekend.

Thought of the week

How do we view equality and how can we promote it?

International Pride Month

Every year, during the month of June, the LGBT community celebrates in a number of different ways. Across the globe, various events are held during this special month as a way of recognising the influence LGBT people have had around the world. Why was June chosen? Because it is when the Stonewall Riots took place, way back in 1969.

As well as being a month long celebration, Pride month is also an opportunity to peacefully protest and raise political awareness of current issues facing the community. Parades are a prominent feature of Pride month, and there are many street parties, community events, poetry readings, public speaking, street festivals and educational sessions all of which are covered by mainstream media and attracting millions of participants.

The New York Pride Parade is one of the largest and most well-known parades to take place, with an estimated

500,000 people participating in it by the time it had reached its 25th anniversary.

Pride Month is so important because it marks the start of huge change within the LGBT+ community, as well as the wider societal implications. Although attitudes and injustice still remain, we have come a long way since the riots of 1969 and by continuing in this long standing tradition we continue to raise awareness, improve the attitudes of society and encourage inclusiveness.

#Pride2020

What is LGBT or Gay Pride?

It is a movement that celebrates sexual diversity. For lesbian, gay, bisexual and transgender (LGBT) people it is a way of protesting about discrimination and violence. It promotes their dignity, equal rights, self-affirmation and is a way of increasing society's awareness of the issues

they face.

Who Started the June Celebration?

Known as the "Mother of Pride", it was Brenda Howard who coordinated the first LGBT Pride march. As well as sparking the idea for a week of events around Pride Day. These events then developed into the annual LGBT celebrations held every June.

Year 10 Geography Trip

As part of the GCSE Geography course, Year 10 will be visiting The Lickey Hills. Fieldwork is a compulsory requirement and data collected through fieldwork, will form the basis of the Unit 3 paper. The paper is worth 30% of their final grade and will be a study of the impact of human activity on ecosystems. A letter has been sent out via email with further information along with a consent form, please can parents check their emails to confirm they are happy for their child to attend.

L Band will be visiting on Monday 5th July and H Band on Wednesday 7th July.

If you have any questions, then please email mpowell@lighthall.co.uk or sharrison@lighthall.co.uk

Roadworks

From Monday 14th June until Monday 21st June, Solihull Council are doing roadworks around Hathaway Road. This could affect dropping off and collecting students, potential trip hazards for pedestrians and obstructed views for drivers. Please can you be considerate at drop off and collection times and can parents please avoid using the driveway to turn their cars around as this is where the students leave the school site.
