

13<sup>th</sup> July 2021

Dear Parent/Carer

### Year 10 Summer Support Homework Tasks

As we are all aware the current academic year has been one of great disruption. As a school we are committed to supporting all students in preparation for their GCSE assessments in the summer of 2022, a significant part of this commitment is to ensure that no learning has been missed due to Covid-19.

Therefore, all subjects will be preparing a series of homework tasks for completion over the summer break. The homework tasks will cover fundamental content from Year 10 learning, and focus on ensuring students are fully prepared for the first assessments calendared for W/c 27<sup>th</sup> September.

We understand the need to provide students with the time to refresh over the 6-week break, and therefore the time assigned to all homework tasks will reflect this. That said, it is essential that ongoing assessment preparation is completed by all students during the summer break from school. Much research suggests the benefit of short, regular learning tasks in support of student progress.

Individual subjects will be in contact, in lessons with students to explain the format and content of their subject's summer homework plan. Many subjects will be using the benefits of SENECA or similar online learning platforms, which will provide ongoing feedback to students. TEAMS will be used to store any electronic files required for revision. This can be found by following the link below (hold CTRL and click). Only your child can access this folder, so they will need to use their school email details to enter.

<https://teams.microsoft.com/#/school/files/General?threadId=19%3Ad7cf72f869a2476f928edd20b939bf0c%40thread.tacv2&ctx=channel&context=Summer%25202021%2520-%2520Yr10%2520homework%2520tasks&rootfolder=%252Fsites%252FVirtualCurriculum-Year10%252FClass%2520Materials%252FSummer%25202021%2520-%2520Yr10%2520homework%2520tasks>

If your child requires a password reset for either their school email or SENECA account, please do get in contact using the email contact below.

I hope you and your families have a restful summer break. If you wish to discuss or wish for further information regarding the above, please use the email contact: [nhayfield@lighthall.co.uk](mailto:nhayfield@lighthall.co.uk)

Kind regards,

Mr Hayfield  
Assessment and Reporting Lead
