

The Word

THE BEST FROM EVERYONE, ALL OF THE TIME

9TH DECEMBER 2022

Headteacher's Roundup

What a chilly week it has been! We may even have a white Christmas this year – who knows?

This week year 9 and 10 have taken part in their PHSEC days. The theme was multi culturalism and all that entails. From my visits around school I was impressed with some of the thought-provoking discussions being held.

Our students enjoyed participating in sharing stories - take 10 at 10 on Thursday. Thank you to Mr Brookes for leading this. Reading and the importance of literacy is immeasurable to students. If you visit school, please stop and look at posters on classroom doors, sharing the different books our teachers are reading and enjoying.

Year 11 are still working hard in their mocks, with the end now being in sight. We look forward to sharing their successes with them in January when they receive their mock exam certificates.

As a reward for all the students hard work this term there is a non-uniform day on Friday 16th December. Don't forget school closes to students at 12.30pm.

I had the pleasure of meeting lots of our students for Golden Book entries this week. Well done to Deandre H, Agatha L, Elle R, Nimrah G, Samir P, Sam M, Ethan C, Hayley T, Luca M, April P, Mayra C, Joshua H. They were entered in to the golden book for a variety of reasons, ranging from outstanding work in many subjects through to fantastic community service.

Finally, thank you for all your non-perishable food donations received to date for the Trussell Trust. Each and every donation is hugely appreciated. Please remember our collection stays open until Wednesday 14th December.

Please stay warm at the weekend.

Best wishes

Annette Kumblien

Thought of the week

What have we got to celebrate this term?

As many of us look forward to celebrating Christmas, the New Year and a well-deserved break, it is the perfect time of year to look back on what we can celebrate this term. Not a week goes by that we are not as a school celebrating the successes of our students, whether these successes be in the classroom, playing an instrument, or competitions. This term year 7 have made an excellent start to their time at Light Hall School. We have enjoyed listening to their voices in the singing assemblies every Wednesday and seeing them participate in a range of activities from the animal man coming into school to the Severn Trent workshop. In the past two weeks year 11 have also excelled themselves, working hard revising for and completing their mock exams.

UNIFORMMD

Don't forget, we are taking donations from parents and selling pre-owned uniforms and sports kits online, with all funds raised going straight back into our school.

A BETTER WAY TO BUY SCHOOL UNIFORMS

AFFORDABLE UNIFORMS FOR PARENTS. ESSENTIAL FUNDS FOR SCHOOLS

With Uniformmd, parents can rest easy, knowing that they can access affordable uniform year-round while schools can efficiently sell donated second-hand uniforms, raising essential funds for their own initiatives. Meanwhile, we collectively cut our environmental impact - It's a win-win.

How It Started

As part of his work experience, 15-year-old Sam took part in Elemental Concept's Student Entrepreneur Programme, giving students the opportunity to identify real issues facing society and find a way to solve them using technology.

Sam saw the burden his parents were under having to pay over £250 a head per for him and his siblings on school uniforms and wanted to create a workable solution that focused on sustainability. Elemental Concept worked with Sam to bring his uniform resale market to life: Uniformmd is the result.

For Parents

We are living in uncertain times, where every penny counts when livelihoods are actively at risk. We wanted to take the financial burden off parents by creating a way to easily access affordable gently used school uniform, with all sale proceeds going straight back into the school.

Parents simply browse for what they need, purchase and receive their pickup information - no sign up required, no banks broken. In turn, when parents are ready to donate, they'll be adding to a wonderful ecosystem that keeps funds coming in for the school and making it a little greener too.

“The Uniformmd app is a sustainable way to access great quality school uniforms at a fraction of the price. The app is very easy to use, allowing you to filter specifically what you are looking for. Good quality photos also help with selecting items. It is an excellent resource to have, supporting the school & reducing costs for families. Thank you.
