Welcome back! I hope everyone has had a refreshing autumn break. I have been impressed by the way in which our students have settled down very quickly to hard work. The Senior Team and I have visited many lessons this week and have been impressed by the diligence and commitment to learning we have seen. Really well done to all our students.

The week began joyfully with the wonderful performance that our dancers gave at the showcase 'Gotta Dance' on Monday evening. Hopefully you will have seen some of the dancing in the videos posted on our social media. Thank you to all the students and staff involved.

In assemblies this week, we have remembered, and celebrated, all those who battled so valiantly for all that we hold dear today. Our Year 10 peer mentors have been raising money every day this week through our annual poppy appeal.

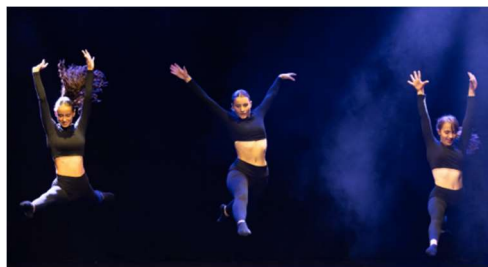

Year 11 have done really well this week in the first stage of their mocks. I have seen and heard about the positive behaviour and fantastic attitude by all involved. Thank you for supporting them during this time.

We are looking forward to raising money for Children in Need next week. Please do encourage your child to take part in the activities planned.

Hope you have a lovely weekend.

Children in Need

BBC Children in Need is the BBC's UK charity. As of September 2023 and since 1980, it has raised over £1 billion for disadvantaged children and young people in the UK. One of the highlights is an annual telethon, held in November and televised on BBC One and BBC Two.

Pudsey Bear has been BBC Children in Need's mascot since 1985, whilst Sir Terry Wogan was its long-standing host for 35 years. A prominent annual event in British television, Children in Need is one of two high-profile British telethons. It is the only charity belonging to the BBC, the other telethon being Red Nose Day, supporting Comic Relief.

Get Involved with The Pudsey Bearpees Challenge!

Time is running out- sign up for the Pudsey Bearpees Challenge today and receive a FREE Pudsey sweatband if you're in the first 10,000 to sign up and raise £50.

Their brilliant new challenge has options for almost any level of physicality, so you can fundraise while getting fit. Joe Wicks can tell you all about it at <https://www.bbcchildreninneed.co.uk/fundraising/introducing-pudsey-bearpees/> where you will find details of how to sign up and the How to Bearpee Guide

Plus this year for the first time, when you challenge yourself, every pound you give or raise will be matched pound for pound (up to a value of £1.5M) by Postcode Education Trust, supported through People's Postcode Lottery.
