Headteacher's Roundup

It has been an amazing week at Light Hall. Our Open Evening was a fantastic success and our students, as ever, were outstanding. This is one of those evenings throughout the academic year which I particularly enjoy, showcasing our fabulous school, and letting our community see how wonderful our Light Hall family is.

A huge thank you to all parents and carers who supported us last night by either visiting or being the inevitable taxi service. I would like to give my personal thanks to our dedicated staff. The staff play such a huge part in the evening and of course, all students who took part, were amazing. We have received many emails of thanks from our visitors and praise for our students, their kindness, maturity and pride in our school shone through.

Our spirits have been lifted this week by the wonderful creations brought into school by students and staff for the MacMillan bake sale. A very well done to Endeavour House, who won the competition overall. There were significant contributions in every house. We have raised a total of £395.55. This is another highlight of the year and I am always staggered by the creative and culinary talents of our students as they enter the first house competition of the year.

Staff also spent their Tuesday evening baking. I would like to commend and thank everyone who decided to take part, the amount of effort that everyone put in was outstanding. I definitely enjoyed sampling the goods.

Everyone deserves a well-earned rest this weekend after such a busy week.

My best wishes for a peaceful and enjoyable weekend.

Annette Kumbin

Light Hall Sixth Form

"We want our Sixth Form students to embody our Light Hall core values and leave us as well-rounded, emotionally intelligent adults, who are resilient, reflective, resourceful and ready to fulfil their potential in the next stage of their lives. At Light Hall, they will have experienced a broad and demanding curriculum, rich in experiences and personalised care and guidance, so that they are able to contribute actively to society and be curious, ambitious and courageous in their futures."

**RESILIENT, REFLECTIVE
& LIFE READY**

We're very proud and excited to announce that Light Hall Sixth Form opens in September 2024, allowing your child the opportunity to continue their full-time education as part of our community.

Our year 11 prefects who helped out at the Open Evening were fantastic! They also had the opportunity to see the development of the new Sixth Form for themselves!

We are looking forward to sharing these updates with you too.

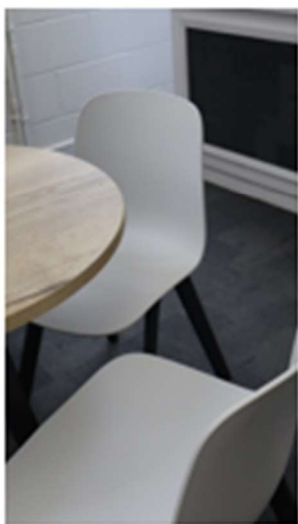

Upcoming Dates!

Thursday 12 October – Year 11 Parents' Information Evening

Wednesday 18 October – Year 11 Careers Day / Convention

Thursday 30 November – Sixth Form Open Evening

(As you can see, the new tables, sofas and chairs have been delivered...)

Why Light Hall Sixth Form?...

The Light Hall community means teachers and staff who know your child, expect their best and help them fulfil their potential. Students have a range of opportunities to develop outside of the classroom and a range of staff to support them!

BLACK

HISTORY

MONTH

What is Black History Month?

Black History Month is the annual celebration and commemoration of moments in history, achievements and contributions that Black people have made.

Why is Black History Month Important?

Studies revealed that 60% of Black professionals still experience racism in the workplace, so a key motivator behind Black History Month is to highlight how people from such communities have made pivotal contributions to society.

It has also been reported that 25% of people find that assumptions are made about their abilities, character or behaviour due to their race. Such statistics emphasise the importance of Black History Month, as the event brings to light how Black people are both uncredited in our history books and undervalued in the workplace.

Macmillan Bake Sale

Our students got involved in their first big house challenge of the year and didn't disappoint. Mrs Kimblin judged the House themed entries in true bake-off style, with so many amazing cakes and biscuits it was unbelievable.

We had brownies, cookies, cupcakes and Victoria sandwiches to name but a few. The quality was superb! On a more serious note we are so proud of the way our students supported the MacMillan charity, again living out our core values of sound moral compass, care and respect.

And the winners are...

Careers Convention

Wednesday 18th October

6.00pm – 8.00pm

Light Hall School

You and your child are invited to attend the above event, our annual careers convention, which is being held at Light Hall School this year.

This event represents an ideal opportunity to informally discuss career options with employers and local colleges. All Year 10 and 11 students and their parents/carers are welcome to attend anytime between the times above. You do not need to pre-register.

If you have any queries about the event, please contact me on:
kmohomed@lighthall.co.uk

I look forward to seeing you there.
