# THE WORD

## Light Hall School

*The best from everyone, all of the time.*

### HEADTEACHER'S ROUND-UP

Wow, what a busy week we have had here. The public examinations are in full swing with the first full week complete. Well done to all the students. It has been wonderful to see so many of the students attending the pre exam revision sessions in the mornings. If you feel your child would like additional support please reach out and let us know.

The rest of the school has also been hard at work. The senior team have seen some vibrant and engaging lessons on our walks around this week. Year 7 and 10 have engaged very positively in their PSHEC work.

Next week promises to be just as busy and uplifting. We have our grand opening of the Sixth Form Centre and 60th Birthday celebration to look forward to on Thursday. What we do for others is a real focus next week with our House Charity Week. I can't wait to see the ingenuity of our students as they prepare their stalls – they never let me down! And of course we have our staff charity football match as well. Good luck to both teams.

A reminder to all our Sixth Form applicants, your offers have now been sent. Please check your emails for confirmation

Hope you all have a lovely weekend.

*Annette Krambler*

We're really excited to be inviting some of our Year 11 students to join us as Lord Lieutenant Sir John Crabtree attends the Light Hall 60th Anniversary celebrations, to officially open the Centre. Please read our 'Solihull Updates' post here: <https://twitter.com/lh6thform>.

## Sixth Form Student Leadership

At Light Hall, we believe that whilst your programme of study is the heart of your education and vital for your future – focusing on developing other skills and leaning into things you're passionate about should not be forgotten.

Therefore, we are proud to be offering our Year 12 students the opportunity to become a Student Leader.

Leaders will work together, with staff and Light Hall School students to build a community that is inclusive, enjoyable and thoughtful. There will be a variety of roles including Head Boy/Girl, House Captains, an 'Eco-Champion', mentors, social-coordinator and more!

We can't wait for students to have their say in shaping the Sixth Form for future generations.

Full details of each role and their responsibilities will be shared with students on our 'Insight Days' in July!

# THOUGHT OF THE WEEK

## Celebrating Diversity World Day for Cultural Diversity - 21st May

### **What is World Day for Cultural Diversity for Dialogue and Development?**

World Day for Cultural Diversity for Dialogue and Development, sometimes just known as World Day for Cultural Diversity, is a global event led by UNESCO and supported by the United Nations. It enables people all around the world to reflect on what diversity is within our culture and cultural heritage. It's also a time to think about why cultural diversity continues to matter in today's world, and to discuss important issues affecting people of different cultures.

The aim of the event is to reflect on the importance of cultural diversity and how it enriches society, both culturally and as a driver of global development. It also promotes dialogue between people of different cultures, so everyone can work together to achieve important goals including peace and sustainable development.

### **History of World Day for Cultural Diversity for Dialogue and Development**

In 2000, when the United Nations issued its Millennium Development Goals, it was noticed that there was no mention of culture in relation to development. In response to this, UNESCO adopted the Universal Declaration on Cultural Diversity in 2001. It became obvious that dialogue between people of different cultures was an essential factor in creating a more sustainable, peaceful society. It was also recognised that individual cultures and cultural outputs needed to be protected from globalisation.

Some of the issues the event was set up to tackle include:

- recognising how cultural diversity enriches our society economically, intellectually and emotionally;
- understanding that culture is key to social cohesion;
- creating more sustainable global development;
- promoting human rights and fundamental freedoms.

### **Why Do People Celebrate World Day for Cultural Diversity for Dialogue and Development?**

World Day for Cultural Diversity for Dialogue and Development is a global event that everyone can get involved in. It's all about recognising and understanding each other's differences, but also celebrating these and promoting peace and harmony between everyone around the world.

Not only can this event help people to recognise each other's differences, but it can also help us understand how cultural diversity is key to creating a more harmonious, equitable world. The day can be a launch pad for people to discuss important global issues, and think of ways different cultures can work together to resolve these.
