THE WORD

Light Hall School

The best from everyone, all of the time.

HEADTEACHER'S ROUND-UP

We have had a wonderful week, our celebration of the school's 60th anniversary and the Grand opening of the Sixth Form saw the Lord Lieutenant, Sir John Crabtree, in attendance. He cut the opening ribbon and buried our time capsule in our eco garden for future students to explore.

All those in attendance enjoyed the afternoon tea and listening to Sir John's words of wisdom. He was very complimentary about our Light Hall family.

This week has also seen an abundance of different activities, thanks to our wonderful students taking part in Charity Week. As always it has been so uplifting to see the creativity of our students in designing activities to raise money. Lunchtimes have been filled with fun and laughter and the atmosphere has been vibrant and sunny, despite the cloudy skies. We had the staff charity football match last night, well done to all the players and thank you to all who contributed. Lots of funds have been raised for the charities and we will let you know the total amount after the half term break.

Year 11 have been conscientiously attending the exam revision sessions and the exams - it has been wonderful to hear the positive comparative discussions taking place after they have finished. They begin study leave today and we wish them well as they continue to prepare over the half term break for the remaining examinations.

I was delighted to meet Rizalea G, Agapi S, Amelia B, Molly S, Chloe H, Mya L, Chloe H, Isla H and Roxy H, who have signed the Golden Book for their excellent commitment to dance. Well done all!

Wishing you all have a restful half term.

Annette Krambler

The Grand Opening of the Sixth Form Centre

The School had a brilliant day welcoming Lord Lieutenant Sir John Crabtree, on Thursday to officially open our Sixth Form Centre, with special thanks to our Year 11 Sixth Form applicants that attended to support the event.

Lord Lieutenant Sir John Crabtree

All Sixth Form Applicants will have received an email about our 'Insight Day' and some advice for staying calm during exam season.

Light Hall's 60th Anniversary Celebrations

Our newly appointed peer mentors, senior prefects and potential sixth form students attended an afternoon tea celebration in honour of our 60th Anniversary.

Lord Lieutenant, Sir John Crabtree joined in the celebrations and buried a time capsule in our eco garden for future students to explore!

THOUGHT OF THE WEEK

What does it mean to be a good friend? National Best Friends Day - 8th June

On June 8th, honor your closest and dearest friend on Best Friends Day. The relationship between best friends is often fierce and can withstand distance, storms and silence. Whether we've known them all our lives or they are more recently acquired, best friends make tough times bearable, fun times memorable, and memorable times priceless.

Whether our best friends are from childhood or later in life varies. But one thing is sure: best friends smooth over the rough edges in life and make the rest of it quite interesting. No matter how many best friends surround you, get together and celebrate the day!

HOW TO OBSERVE BEST FRIENDS DAY

Celebrate the day by letting your best friends know how much they mean to you!

- Far or near, send your best friend a note.
- Share a memory or two.
- Watch movies about best friends. We suggest *Thelma and Louis*, *9 to 5*, *Ferris Bueller's Day Off*, *The Joy Luck Club*, *The Shawshank Redemption*, *A League of Their Own*, *Wayne's World*, and *Lord of the Rings*.
- Make a new best friend. You can have more than one, you know!
- Invite your best friend(s) to dinner.

Use **#BestFriendsDay** to post on social media.

RECOMMENDED READS FOR THIS WEEK

‘Gemma and Alice were born on the same day and have been devoted best friends ever since. Despite Gemma's larger-than-life personality and Alice's quieter, calmer character, the two are inseparable - until Alice has to move house, all the way to Scotland.

Gemma is utterly distraught, particularly at the thought that Alice might find a new best friend. Is there anything Gem's brothers, or perhaps her grandad, can do to help?

1934, deep in the English countryside we encounter Deepdean School for Girls. Daisy Wells appears to be a quintessential upper-class English school girl: blonde hair, blue eyes, beautiful and from an aristocratic family. She is able to hide her extreme cleverness under a laissez-faire attitude from everyone but the equally smart new girl, Hazel Wong. Hazel has been sent from her home in Hong Kong to drizzly, cold England by her fabulously rich father who wishes her to experience an English education. She struggles to fit in to the rather racist surroundings until kind-hearted Daisy befriends her and enrolls her as secretary of her top-secret “Detective Society”.
