

LIGHT HALL SIXTH FORM

17TH JANUARY

—
WEEK 17

It has been a busy week in the Sixth Form, with Year 12 students completing their in-class assessments. We've also been encouraging them to reflect on their strengths and areas for improvement as we begin a new term. Students have been getting their assessment results back over the week and will get some next week too. It's really important they take the time to highlight what they need to do moving forward to improve and to make an effort to understand why they may not have achieved the grade they'd hoped for, in some cases.

The Spring term has lots in store for our Sixth Formers, including the Auschwitz Ambassador trip, a trip to a magistrates court for psychology students, Birmingham's University and Careers Fair for all in March and a host of guest from Warwick University, ASK apprenticeships, and more, do continue to support their decisions.

Next week, we will share with parents, students and staff, a brilliant promotional video featuring many of our Sixth Form students working in their lessons. We hope to use the video to inspire students to join us and showcase what we have to offer, but it's also a wonderful capture of the enthusiastic and hard working cohort that we have with us now, so we really hope they enjoy watching it and that they're proud of what they helped achieve!

Have a lovely weekend,
The Sixth Form Team

FORM SUBMISSION DEADLINE: FRIDAY 14TH FEBRUARY

YEAR 12 PSYCHOLOGY TRIP TO BIRMINGHAM MAGISTRATES COURT

This week, Head of Psychology, Mrs Javed, took both of her A-Level Psychology groups to Birmingham Magistrates Court.

Students took a guided tour of the courts and were fascinated by the architecture and grandness of the building. Students valued the experience of sitting in on live criminal trials and seeing eyewitness testimony in action. Additionally students attended a Q&A session with a magistrate. Year 12 Psychology students have been studying the topic of memory and eyewitness testimony, so seeing a real case and witness statements was surreal!

YEAR 11

Applications are open!
The deadline for applications is **Friday 31st January!**
(internal)

Next: Student Interviews

After the application deadline, we will begin inviting all applicants to a short interview with Mr Brookes or one of their subject teachers to discuss their subject choices and answer any questions they may have. Students should look out for their invite in their emails.

INTERESTED IN DENTISTRY?

Why are we running this conference?

We believe the NHS is at its best when its workforce is representative of the patients it serves. With this in mind, this conference is designed to support applicants who have historically been underrepresented in NHS Dentistry. We aim to inspire those who have the potential to shape the future of the NHS, regardless of their background.

What is it?

It's a conference to advise and support Year 12 students on an application to Dentistry. We will provide insight into a healthcare career, along with relevant and useful advice on your applications. We will also showcase what life is like in the field of Dentistry, and what the Birmingham Dental School has to offer!

When and where is it?

Dr.eam Dentistry 2025 will take place at the **Birmingham Dental Hospital, B5 7EG** on **Saturday 22 February 2025**. It will run from **9:00-15:00** for Year 12. Times are subject to slight changes but will be confirmed nearer the time.
